To the
Editor in Chief
Journal of the Serbian Chemical Society

Dear Prof. Nikolić
We would much appreciate it, if you could consider our work entitled:

**Chromium (VI) removal from aqueous solutions using a polyethylenimine -
epichlorohydrin resin**

for publication in the Journal of the Serbian Chemical Society.

The work is original and has not been published in another scientific journal or conference proceedings volume.

As potential evaluators, we could propose

1. Assoc. Professor Maria Harja, G. Asachi Technical University, Iasi, Romania
(maria_harja06@yahoo.com)
2. Dr. Aleksandra Dakovic, itnms, Belgrade, Serbia (a.dakovic@itnms.ac.rs)
3. Prof. Pavol Rajec, Comenius University, Bratislava, Slovakia
(rajec@nic.fns.uniba.sk)
4. Prof. Igor Cretescu, G. Asachi Technical University, Iasi, Romania
(icre1@yahoo.co.uk)

Thank you very much in advance

Prof. Dr. P. Misaelides
