## COVER LETTER FOR SCIENTIFIC ARTICLE

We wish to submit a new manuscript entitled “**High temperature transformation of tar-asphaltene components of oil sand bitumen**” for consideration by the «Journal of the Serbian Chemical Society».

This cover letter will ensure the placement of a scientific paper in the journal «Journal of the Serbian Chemical Society» does not violate any copyrights. Authors convey an unlimited period to the founder of the journal a non-exclusive right to use the scientific article by its reproduction, use of scientific articles in whole or in fragments in conjunction with any text, photographs and drawings, including through the placement of full-text versions of the network numbers of the journal's website.

We confirm that this work is original and has not been published elsewhere nor is it currently under consideration for publication elsewhere, and will not be sent for publication in other scientific publications without notifying the editors of the scientific journal «Journal of the Serbian Chemical Society».

Also confirm that the authors of the scientific article agree with the preparation rules of the manuscript for publication, which approved by the editor of scientific journal «Journal of the Serbian Chemical Society», and the manuscript contains no libelous or other unlawful statements and does not contain any materials that violate any personal or proprietary rights of any other person or entity.

Thank you for your consideration of this manuscript.

Commission Chair,

Doctor of Chemical Science, Prof. MUN G.A.

Faculty of Chemistry and Chemical Technology  
Al-Farabi Kazakh National University  
Almaty, Kazakhstan
